

VISION

To produce mining engineers of high caliber fully equipped with state-of-the-art technology. To cope with the challenges of sustainable development in mining and mineral industry.

ABOUT

Society of Mining Engineers,NITK

Society of Mining Engineers, NITK is an enthusiastic Mining Engineers forum under the Department of Mining Engineering. Having a vision to help in exploring undiscovered world of Mining and to promote budding talents of young students in this expanse field. Having organized the 1st SME NITK Annual Convention successfully in March 2020,it is going for 2nd Annual Convention exclusively open for all Mining & Allied Engineering disciplines.

ABOUT

SME NITK Convention

It is an opportunity to all Mining & Allied Engineering discipline students, to showcase their talents and witness & utilize the opportunity for interaction with fellow engineers, academicians, industry leaders etc. Also, to get career guidance. Fun filled events and programmes lined up for 2 days

Patron:

Prof. K. Uma Maheswar Rao Director,
NITK Surathkal:

Organising Committee Faculty:

Dr. K. Ram Chandar, HOD
Prof. Ch.S.N. Murthy
Prof. M. Govindaraj
Prof. Harsha Vardhan
Dr. M. Aruna
Dr. B.M. Kunar
Dr. A.K. Tripathi
Dr. Sandi Kumar Reddy

Registration Fees
B.Tech
M.Tech
Ph.D

REGISTER AT

Address for Communication

Dr.K.Ram Chandar, Chairman	Dr. Sandi Kumar Reddy, Convenor
Dr. B.M. Kunar, Treasurer	Ms. A R ARCHANA, General Secretary

2nd NITK SME CONVENTION

**NATIONAL INSTITUTE OF TECHNOLOGY
KARNATAKA ,SURATHKAL**

DEPARTMENT OF MINING ENGINEERING

ABOUT NITK SURATHKAL

NITK Surathkal is a premier institution engaged in imparting quality technical education and a broad range of research, development and consultancy activities. NITK has carved a niche for itself among the best technical institutes in India. As a part of NITK Diamond Jubilee Celebration the institute has planned several academic technical events and the proposed Convention is on among them.

ABOUT Department of Mining Engineering

The Department of Mining engineering was established in the year 1984 and about 826 undergraduates passed out from the portals of Department till 2019. Several girls obtained their B.Tech Mining Degree from this department. The department also offers M.Tech(Research) programme in Rock Excavation Technology and Management and Ph.D in Mining Engineering. The department celebrated its Silver Jubilee during 2009-2010. The department is having high skilled faculty members with Ph.D degrees backing with National and International exposure. The department is very active in Research and Consultancy projects. It serves not only Mining Industry but also allied projects like infrastructure Projects

OUR ATTRACTIONS

Paper Presentation;

Topics are OPEN for paper presentation but it should be creative and original

Poster Presentation:

Poster Presentation is a way to communicate your researcher understanding of a topic in a short and concise format.

Mine The Brain:

Get ready with some basic knowledge in mining, brush up your concepts, COME PARTICIPATE in mining QUIZ and GRAB exciting prizes.

Gold Seeker:

A Mining Theme based Treasure hunt which will give you never before experience.

Meet the Leaders:

We all love getting inspired by the people who have succeeded in their lives and try to live up to them, we have great leaders enhancing our knowledge on leadership qualities and responsibilities as a student we need along with the recipes of success so that we get to taste them.

WHY TO ATTEND?

- To interact with fellow Mining Engineers
- To get exposure to latest Instruments and softwares
- To interact with well known Academicians and Leaders through lectures and webinars
- To understand the Latest trend in Research
- To get your Work recognized
- To Compete to get exciting cash prizes
